

## Associate of Arts Degree English Field of Study (FOS)

The English Field of Study (FOS) at SWTX prepares students who are interested in English and transferring to a university.

The Associate of Arts Degree English FOS includes curriculum approved by the Texas Higher Education Coordinating Board. The English FOS includes 12 lower-division semester credit hours that are fully transferable to other Texas public colleges and universities.

Students should always consult with an academic or English faculty advisor regarding transfer to a specific college or university. In addition, students should consult with an advisor at the Texas college or university to which they are transferring for additional information.

To receive an Associate of Arts Degree English FOS, students must make a minimum grade of C in all required core courses and maintain a GPA of 2.0 or higher.
