[Community Resources](#) - Food, health, housing, daycare, and more

2-1-1 Texas, a program of the Texas Health and Human Services Commission, is committed to helping Texas citizens connect with the services they need. Whether by phone or internet, our goal is to present accurate, well-organized and easy-to-find information from state and local health and human services programs. We accomplish this through the work of our 25 Area Information Centers (AICs) across the state. 2-1-1 Texas is a free, anonymous social service hotline available 24 hours a day, 7 days a week, 365 days a year.

No matter where you live in Texas, you can dial 2-1-1, or (877) 541-7905, and find information about resources in your local community. Whether you need help finding food or housing, child care, crisis counseling or substance abuse treatment, one number is all you need to know.
